**A mentoring program
that focuses on children
ages 4-17 years with one or
both parents incarcerated
in a state or federal detain-
ment facility.**

**We are currently seeking motivated, fun-loving, adult
role model mentors to help encourage and inspire the
potential of each of our mentees. We offer a volunteer
program to help enrich the lives of both the mentor and
the mentee, with personalized ongoing training. Our
program matches one adult for each child, meeting
weekly for at least one hour, for a period of one year.**

**As residents of northwest Florida, individuals have
the perfect opportunity to directly impact their commu-
nities and the lives of their mentees. Mentors can offer
leading by example in so many different areas including:
higher education, educational achievement, career devel-
opment, motivation, compassion, and guidance.**

Impact a life, volunteer today.
